# *Frequently asked questions*

## **What is the required event insurance?**

All your vendors must have the proper insurance, but the most important people (you) need to be covered as well! Our minimum requirement is a \$1,000,000 liability with host liquor liability included, regardless of alcohol being served. This document must be received 30 days prior to the event and must cover all time of your event, including a second day if your event goes past midnight. Ask your insurance company or broker to extend your liability to cover the additional exposure and add the event venue as an Additional Insured on your insurance policy for the duration of the event. Your insurance company/broker will issue the Certificate of Insurance.

## **How many guests can I invite?**

Our venue seats 120 for dining OR 150 for a cocktail style only event.

## **Do you cater?**

No, we do not have a caterer on site. However, we have an approved list of reputable full-service caterers for you to select from. All these vendors are licensed and insured and offer a variety of different cuisine options and price points. If you have specific dietary restrictions or cultural requirements, we will work with you and your requested caterer to ensure that all of our standards can be met. All the approved caterers must provide full service and have bartenders with Alcohol Awareness Training and TIPS Certification. Your caterer is responsible for all setup and breakdown of the tables and chairs and must be onsite the entire contracted time of the event.

## **Can I provide my own alcohol?**

We want you and your guests to enjoy themselves while celebrating your nuptials, however, we must take certain precautions to ensure responsible alcohol consumption. You and your caterer will coordinate who is providing the alcohol. All alcohol MUST be served by one of our approved caterers. These caterers are full service and staff bartenders with Alcohol Awareness Training and TIPS Certification. Your caterer must be onsite the entire contracted time of the event and is responsible for serving all alcoholic beverages. No one is permitted to self-serve any alcoholic beverages and the Liriodendron Mansion has a "no shot" policy. All individuals must comply with guidelines and laws defined by Maryland State and Harford County Liquor Board. Serving of alcohol to underage persons is strictly prohibited.

## **How do I reserve a date?**

Once you select a date, contact us to confirm availability and we will be happy to create a contract to be emailed to you. Review the documents, sign electronically and return to us. Your deposit can be paid via the software, by calling us with your credit card information or by mailing a check. We will put a hold on your date and you will have 10 days to sign the contract and pay the deposit so secure your date.

## **Do you provide staff for our event?**

The Liriodendron Foundation will have a staff member on site for your event. This staff member will cover the house throughout the event and the staff member will be available to you throughout the event.

## **Are the grounds open to the public during my event?**

Heavenly Waters Park, the large County Park is open from sunrise to sunset. Signage will be placed at the driveway to inform the public that the Liriodendron is closed for a private event. Staff monitors the grounds to ensure that no park visitors will be in the vicinity of the mansion during your event.

**How late into the evening can our event be held?**

We allow events to be held until midnight with an hour of cleanup until 1:00 AM. By that time all guests should have left, and the caterer should have finished their clean up. Outside music must stop at 10:00 PM and must face west towards the wooded area. Please note that if your event (including cleanup) extends past mid-might, your Certificate of Insurance must include both days.

**What restrictions are there regarding décor?**

No nails, staples, screws, glue or tape shall be used to attach decorations inside or outside; zip ties are permitted. No confetti, bird seed, rice, flower petals or grass seed may be thrown or distributed in any way. Artificial flower petals inside the Mansion may be scattered, provided complete cleanup is provided. No moving of house furniture or carpets is permitted. Use of our fireplaces is permitted with advance permission, and a fee will apply. Please view our Terms and Conditions for a full guide.

**Where do my guests park?**

There is limited parking available in the upper parking lot. Additional signs for handicapped parking can be installed on this level upon request. The remainder of the guests must utilize the large lower parking lot. We have a golf cart style transporter which is available for an additional charge to assist your guests.

No parking is permitted on any grass areas including areas beside the driveway, on the parking lot islands or on the grounds. Any damage to lawn areas caused by unauthorized parking is the responsibility of the renter.

**Please contact our sales team if you have any additional questions.**

**Thank you for considering The Liriodendron Mansion for your special day!**
